Dear Patton Parents:

We at Patton Elementary and the Garden Grove Unified School District take great pride in providing your child(ren) with all of the necessary classroom materials for the school year. However, we do realize that many of the children wish to go shopping for back to school supplies. So, attached you will find recommended classroom supplies for the up-coming school year. Please remember, we will provide ALL of the needed materials for every child each school year. This list is simply to provide you with information and guidance if you are planning to go shopping and want a recommended list of supplies.

Sincerely,

The Patton Staff

1st Grade School Supplies
